

# Empty Bowls art auction

Pioneer Center will host their inaugural Empty Bowls Art Auction for homelessness on May 4. Guests will walk through an exclusive, one-night only gallery comprised of work created by artists depicting homelessness as they have experienced or witnessed it. Following the gallery, guests will be served a simple meal mirroring that of a soup kitchen. The evening is a come-and-go style event. Event tickets will be sold online at [www.pioneercenter.org](http://www.pioneercenter.org) and at the door for a suggested donation of \$10 per individual.
